

About

Angela (Angie) is a senior executive HR leader and Certified Executive Coach with over 20 years of experience in Human Resources, specifically in areas of Talent, Organizational Effectiveness, Culture, and Leadership development. Angie has successfully engaged and led organizations in enterprise-wide change efforts focused on development and retention of top-performing and emerging talent ranging from C-Suite to the front lines.

During her career as an HR Executive, Angie has successfully led a variety of global HR functions focused on culture and performance directly aligned with organizational growth and business results. She has served as an Executive Leader of Talent and Development (Learning and Leadership) and Performance at global companies such as GoDaddy, Tesla, General Electric (Healthcare and Aviation businesses) Marriott and LaFargeHolcim.

Angie has a human first approach with a proven track record of leading high performing teams in private, start-up and public sectors. Her success is based on her ability to listen deeply, fully understand the situation and challenges, and inspire organizations to look beyond their current state and engage in transformative, practical approaches to support their desired future state.

Angie holds a Master of Science and a Bachelor of Science in Engineering. She also holds a graduate certificate from Northwestern University in Learning and Organizational Change.
